

LG-50

Deluxe Official Lacrosse Goal

The Ultimate Lacrosse goal has mitered and welded corners for exceptional performance. Net rail prevents additional wear and tear on net and the rear brace stays flat along the ground. Full Size: 6'H x 6'W x 7'D meets all NCAA and NFSHSA requirements for men's lacrosse. 1/4" steel net tie for a clean goal face. 2" O.D. steel pipe construction for full NCAA compliance. Goal face is powder coated orange. Nets sold separately.
