Portable FieldPro™ Net System Package

Keep balls on the field and ensure the safety of spectators.
- 4 poles with black powder coat finish
- 4 bases with (16) 5 gallon jugs
- 1¾” knotted nylon net
- Red vinyl base covers included
- 60’L x 12’H

* Limited Warranties

PFN-1260PKG $3,480 EA 510 lbs

* System: 3 Year Limited Warranty, Net: 1 Year Limited Warranty

Portable FieldPro™ Net System

Lightweight indoor/outdoor portable net system for fields and courts where in-ground/sleeve systems are not an option. Can also be used as a multi-field/court space divider!
- Easy net assembly with cable clamps and sliding rings
- 12’ tall x 2¾” dia. aluminum poles on tip-and-roll bases with no-flat tires
- Counterweight containers and corrosion-resistant hardware included
- Optional vinyl base covers (PFN-BCVR) sold separately

Poles can be powder coated black (specify when ordering). Typical pole spacing is 18’ apart and should not exceed 20’. Sold per base dependent on overall length needs (specify when ordering). Call for quote.

NOTE: It is the customer’s responsibility to fill counterweight containers.

FieldPro™ Net System Base Cover

Vinyl base cover slides over counterweight containers. Standard color is red.

3 Year Limited Warranty

PFN-BCVR Red $60 EA 1 lb
FieldPro™ Multi-Sport Net System

Ball stop net system for lacrosse, field hockey, and other field sports. Ensure the safety of athletes, coaches, and spectators!
- (4) 4" heavy-walled aluminum uprights, ground sleeves, and covers

Custom FieldPro™ Net Systems

In today's congested sports complexes with multi-use fields in close proximity to each other, keeping balls within the confines of the field is important. Stop wasting time chasing missed shots or errant passes during practice and games. Ensure safety of the athletes, coaches, and spectators alike on adjacent fields and tracks. FieldPro™ Net Systems by Jaypro Sports offer ultimate design flexibility to suit all perimeter netting needs.

Six Different Heights and Pole Styles

10' Straight Pole with multi-sport net is ideal for use as a Lacrosse and Field Hockey backstop net. The net is clipped at the top and bottom of each pole.

15', 20', 30', and 40' Straight Pole comes with a hoist system allowing quick and easy lowering/removal of the net after the game, season, or before a big storm. Reinstalling the net is a snap - all from ground level with no need for a ladder.

20' Offset Pole provides 3' of offset which is ideal for use around the perimeter of soccer and baseball/softball fields. It's also an added measure of safety from ricocheting balls.

Basic Features and Recommendations

- Pole spacing should not exceed 20'
- Net systems should be set back at least 25' from playing field
- Pulley system to raise/lower net (excludes 10' poles)
- Ground sleeves and caps facilitate installation and allow for system removal
- Corrosion-resistant hardware included
- Specify preferred pole color when ordering
- Call for pricing and details

Jaypro Sports solves any netting problem. From indoor and outdoor requirements, to pole and structure support, we have the solution for your athletic field or facility.

3 Year Limited Warranty
