

Jaypro Sports has developed a Freight Calculator for LTL and Parcel shipments. The intent is to allow customers a means of real-time freight estimates for their purchases from Jaypro Sports.

Go to <https://www.jaypro.com/truck> or <https://www.j-quote.app/calc> either will take you directly to the web page form.

Use this form to start your freight estimation.

4 Next Step

Moves the form to the next step.

4.1 Back Button

Review the information on the form. To make changes use the "<-GO BACK" button. This will return you to the original form and will allow you to make changes. When done use the "NEXT STEP->" button and review the entry.

Make changes, as necessary.

4.2 Reset Button

The "<>RESET" button will return you to the form and erase all entries. This allows you to completely clear the form and start over.

4.3

If all items are correct use the "SUBMIT" button.

The “<- GO BACK” and “<>RESET” buttons work the same as above. Use them to fix any errors or start over.

This Estimate has all the information that was entered in the forms before.

5.1 Total Weight

(The total weight found for the items selected. This is only an estimate and may change when items are packed and ready for shipment. Please call if you have any questions.

5.2 Non-Standard Services

(This area will list any special services that were selected on the earlier forms. Including notifications for Special Zip Code charges for zip codes in the 70001-70499 zip codes and will report if the shipment is expected to be OVERLENGTH. Over length shipments exceed the expected length for an LTL shipment, typically under 8 feet.)

5.3 Total Estimated Freight Cost

If the shipment is eligible for Parcel shipment a cost will be provided. Typically Parcel shipments are Ground shipments however, residential shipments will show Parcel Home Delivery.

If the shipment is being shipped via LTL (Less than Truckload) a cost for Freight will be provided. If a Lift Gate is needed for this shipment the cost will show that "Freight Shipment (Lift Gate Required)" and an added cost will be added to shipment.
